

Cedar Chests and Cassones

Unless specific furniture sizes are requested, the Mountain Woodworker incorporates two primary design rules into furniture it makes:

- the Golden Ratio found throughout nature, pre-dates ancient Greece, and
- the Rule of Thirds –

Incorporating these rules into the designing and crafting of our furniture provides our customers with furniture in esthetically and harmonious proportions,

Width	Height	Depth
18	11	7
20	12.25	7.5
22	13.5	8.5
24	14.75	9.25
26	16	10
28	17.25	10.75
30	18.5	11.5
32	19.75	12.25
34	21	13
36	22.25	13.75
38	23.5	14.5
40	24.75	15.25
42	26	16
44	27	16.75
46	28.5	17.5
